2018 Redistricting Criteria, Committee and Timeline

Proposed Redistricting Criteria

Enrollment Balance

Goal: Enrollment will be balanced among all schools at each level (elementary, middle and high).

Measure: Weighted Enrollment Counts; Students per Square Foot Standards

Priority/Weight: High

Considerations: Special Programming, Projecting Future Growth

Socio-Economic Balance

Goal: A balanced socio-economic condition for all school attendance areas at each level (elementary, middle and high) will exist that is representative of the entire community.

Measure: Free and reduced percentages by attendance area

Priority/Weight: Medium

Considerations: Defined ranges will be established to represent optimal, adequate, acceptable and undesirable targets.

Transportation Distance & Safety

Goal: Students will be organized in attendance boundaries such that transportation distance is minimized, and so that the safety and health of students is prioritized.

Measure: Average Bus Route Distance per student

Priority/Weight: Medium

Maintain Subdivisions

Goal: Boundaries will be structured to maintain district subdivisions within one school attendance boundary at each level.

Measure: Intact Subdivision Counts

Priority/Weight: Medium

Minimal Attendance Area Changes

Goal: The number of students that change schools will be minimized.

Measure: Number of students changing schools within grade levels.

Priority/Weight: Low
