## **STUDENT NAMED DECA OFFICER**

Park Hill High School student Josie Phillips will serve as Missouri DECA's vice president of community service for the 2018-2019 school year.

Phillips won her election, which involved students voting, combined with her ranking for

her written exam, interview and speech.

DECA is a vocational student organization for all students enrolled in a marketing class.

DECA students learn about leadership, civics and vocational understanding and they have the opportunity to compete in all areas of marketing.
